## Spring Break

### BUS TRANSPORTION

Please show up at least **10 minutes before the scheduled departure time. To ensure that things run smoothly, a monitor is on duty in the bus.** The child is taken into supervision as soon as they board and responsibility is transferred to the group monitor upon arrival in camp. In the bus:

- \* The children remain seated fully inside the vehicle until it reaches its destination;
- \* Children's bags placed under the seats;
- \* Children's voices are monitored for loudness.

On return trip home, for security reasons, unless otherwise notified, **all children 7 or under must be picked up by an adult when they get off the bus.** If there is no adult, we will wait 2 minutes at most, then the child will be taken back to the camp. We will try to reach you and you will be able to retrieve your child from the daycare service. To waive this requirement, please send us a written notice at least 1 week in advance. If it's impossible for us to reach you, we will register your child to the daily daycare service. Fess for daily daycare will be charged to your account (\$9). You must respect the hours of the daycare service. In case of unexpected events, you can reach us at 514 453-7600, ext. 221 between 8 a.m. and 5 p.m.

We ensure that the pick-up and return schedule is adhered to as faithfully as possible. Nevertheless, the camp and/or the bus company cannot be held responsible for unforeseen events such as traffic delays, construction detours or road accidents.

The camper is expected to use the same bus stop, mornings and evenings, throughout the week.
