PARENT'S GUIDE

On excursions, the same procedures apply, but the attendance is taken more frequently.

Note: Centre Notre-Dame-de-Fatima day camp takes control of children as they arrive on site, at daycare or on the bus, but it is not responsible for children who walk, ride their bicycle or wait for the bus alone.

TIPS FOR THE LUNCH BOX

It is important to preserve the foods in lunch boxes. The CNDF and Chêne-Bleu day camp are not able to provide a refrigerated area for the lunch boxes. Here are some tips to keep your child's lunch cool and fresh all day:

- Place one or two Ice Pack in the lunch. It will keep food cold for 4 to 6 hours.
- Add a frozen juice box. It will keep the food fresher even longer.
- For salads and dairy produce, use an insulated container (« thermos ») that was previously cooled.

Monitors will make sure that backpacks and lunch boxes will be in the shades during the day.
