
DAYCARE

Day care takes place from 6:30 am to 9:00 am and from 3:30 pm to 6:30 pm. Some activities are offered to the children. Participation is voluntary.

- For reasons of security, morning and afternoon, parents must present themselves to the reception station located at the entrance of the sports complex.
- It is extremely important to complete the “**Authorization to leave / Autorisation de quitter**” section of the registration form. Only the persons who have your password will be able to leave with your child.
- If you cannot personally be present to pick up your child, but have asked a parent or a friend to pick him up, **you must advise us in person or by telephone** at 514 425-1166, ext. 6250.
- If not, a camp coordinator will attempt to contact an authorized person to obtain an authorization. Otherwise, the child **will not be permitted to leave** with an unauthorized person.

The Day Care ratio is one (1) monitor to twenty (20) children.
