BACKPACK LIST

Items to bring to camp every day (**well identified with camper's name**):

We ask you that you limit to the strict minimum the items in your child's backpack. **All toys, card games, electronic items from home are forbidden. These objects will be immediately confiscated from the camper and returned to the parent at the end of the day.**

- Water bottle (MANDATORY, they will not be able to use water fountains)
- Lunch box with snacks (with ice pack)
- Sunscreen and mosquito repellent
- Swimwear and towel
- Raincoat
- Hat

TIPS FOR THE LUNCH BOX

It is important to preserve the foods in lunch boxes. The CNDF and Chêne-Bleu day camp are not able to provide a refrigerated area for the lunch boxes. Here are some tips to keep your child's lunch cool and fresh all day:

- Place one or two Ice Pack in the lunch. It will keep food cold for 4 to 6 hours.
- Add a frozen juice box. It will keep the food fresher even longer.
- For salads and dairy produce, use an insulated container (« thermos ») that was previously cooled.

Monitors will make sure that backpacks and lunch boxes will be in the shades during the day. We can also benefit from our cold lunch boxes services. You must register at least 24h in advance, to see our menu click here: [DAY CAMP MENU](#)

DAYCARE SERVICES

Please note that we have new opening hours for our daycare services: morning 7:00 to 8:45 and afternoon 3:45 to 6:00. Due to security and sanitary measures, we must fix a quota for our daycare services. Please make sure to verify if there is still availability before leaving your child the daycare in the morning or at night.

ATTENDANCE TAKING POLICY

At daycare, attendance is monitored at the daycare reception area. The monitors take attendance regularly during the day in different ways. Please note that Centre Notre-Dame-de-Fatima day camp takes control of children as they arrive on site or at daycare, but it is not responsible for children who walk or ride their bicycle.
