SUMMER 2022

BACKPACK LIST

Items to bring to camp every day (well identified with camper's name)

We ask you that you limit to the strict minimum the items in your child's backpack. All toys, card games, electronic items from home are forbidden. These objects will be immediately confiscated from the camper and returned to the parent at the end of the day.

- Water bottle (MANDATORY, they will not be able to use the water fountain)
- Lunch box (ice pack)
- Sunscreen, ideally a spray
- Mosquito repellent
- 1-2 snacks (even if you take the meal service)
- Swimsuit and towel
- Waterproof (if rain)
- Hat / cap

It is important to provide 1 bottle of water to fill as the water fountains will only be accessible for filling the bottles due to sanitary measures.

TIPS FOR THE LUNCH BOX

It is important to preserve the foods in lunch boxes. The CNDF and Chêne-Bleu day camp are not able to provide a refrigerated area for the lunch boxes. Here are some tips to keep your child's lunch cool and fresh all day:

- Place one or two Ice Pack in the lunch. It will keep food cold for 4 to 6 hours.
- Add a frozen juice box. It will keep the food fresher even longer.
- For salads and dairy produce, use an insulated container (« thermos ») that was previously cooled.

Monitors will make sure that backpacks and lunch boxes will be in the shades during the day. We can also benefit from our cold lunch boxes services. You must register at least 24h in advance, to see our menu go to our website.

DAYCARE SERVICES

Please note that we have new opening hours for our daycare services: morning 7:00 to 8:45 and afternoon 3:45 to 6:00. Due to security and sanitary measures, we must fix a quota for our daycare services. Please make sure to verify if there is still availability before leaving your child the daycare in the morning or at night.
