

INFO-SERVICE

Spring break

DAYCARE SERVICE

The daycare service is from **7:00 a.m. to 8:45 a.m. and from 3 :45 p.m. to 6 :00 p.m.** Some activities are offered to the children. Their participation is on a voluntary basis. To have access to the daycare service, your child must be registered in advance.

For security reasons, parents must go through control measures. At your arrival in the morning and for pick-up after camp, **you must go to the back of Émilie-Gamelin Hall** (across the street from the parking lot, down the stairs), to sign the presence sheet. Also, we ask that you bring an identity card with photo or your password to pick up your child.

If you can't come to pick-up your child at the daycare service and that you ask someone else to do so for you, make sure that this person is on the list of the people authorized to pick-up your child. If this person is not on the list, **you must tell us in person in the morning or call us** at 514 453-7600, ext. 237 between 8 :00 a.m. and 5 :00 pm. **Important : This person must have an identity card with photo and your password.**

If we have not been advised of that change, we will try to contact you to obtain your authorization. If we can't reach you, your child **WILL NOT BE ABLE TO LEAVE CAMP** with that person.

The ratio is (1) monitor for (20) children at the daycare service.

Daycare prices \$ 42,00 weekly or \$ 10,50 daily
